

Technology and Social Studies Committee 10/13/08

Technology Info

- **From this meeting on, the TECH/Sci Committee meetings will be used to teach/learn technology tools and disseminate info!**
 - Minuses – the meeting may take more than one hour
 - Pluses – You will receive CPE and TC credit for this time
- **CIT Blog-** I will be using it to update you on meeting notes, share ideas and get feedback from you, it is a work in progress!

<http://cit.nisd.net/michaelcit/>

- **Proxy Access** – I would like to show you how to “grab” one, and how to then use it to sign up
 - 162_B103 _ TIP Lab, 162_Laptop-1, 162_Laptop-2, 162-Science Lab
- **STAFF Calendar** – I Drive and STAFF Shortcuts
- **AD and Locking your Workstations** – The AD network uses domain names (computer identities or “BG” info) to “push out” updates from helpdesk, for ex. quick time, CPS, and more. If you shut down your computer at night you may miss these updates, PLEASE leave them on but locked ALT+CTRL+DEL, then “lock workstation”.
- **Logging into a Student Workstation – Hold Down Shift**

Thanks for your time on this busy day!
