

Mary Burns Michael
Elementary School
Mission Statement

Mary Burns Michael Elementary School, in partnership with the community, will provide a positive atmosphere, which will empower students with love for learning, a sense of self-worth, and a desire to learn.

► Family Night Open Activities

In addition to the Activity Sessions Listed to the Right, you may also visit these activities once.

- **San Antonio Astronomical Society's Telescopes**—come visit these incredibly powerful telescopes; see the rings of Saturn, or view your favorite Constellation. Ticket Required (max 25 people per session)
- **NISD Mobile Planetarium**—Come view outer space, right inside our school!
- **Student Work Samples**—Check out what the Michael STARS are up to. We will have a number of work samples for you to see. B103
- **Parent Connection DEMO**—Have you been wanted to get started with Parent Connection? Mr. Vargas will be glad to guide you through a tour and help you get set up!
