The Daily Rattler

Celebrate a Hero!

Written By Hannah

One of our County's most notable hero's accomplishments was recently celebrated. Martin Luther King Jr. Day, a national holiday, was celebrated on January 15th. We celebrate it on this day to remember his birthday. We remember Mr. King because of his tremendous work as a civil rights leader.

He brought Americans together to fight against unfair treatment of African Americans such as Rosa Parks. She stood up for herself when a bus driver asked her to move from her seat because of her color. This is only one example of his courage to offer all Americans the same freedoms!

St. Jude's Mathathon

News story by Jillian

Rattlers' work to fight for children with cancer. Each that participated will receive a book with math problems for them to complete. Friends and family pledged money for each problem. Together with other Raba kids they were able to raise over 3000 dollars!

Accelerated Reader Tips

by Kaelyn

When you are reading and taking AR here are some tips. Read it about 2 times. Whenever you are taking a test, go back to check the answer in the book. If you answer them all right you will get a 100%, and the total amount of points. If you miss some, then you get part of the points. Se be careful! After the 9 weeks you can buy prizes from our kind librarian Ms. Lockard. Each prize cost points, and you spend your points. I hope you read a lot and get a lot of points! If you need help, let me know!

Our Trip to Our Lady of the Lake University

Summary by Elise

Our Field trip was GREAT!!! Our whole grade went to the university to perform as a choir. We all sang songs together for some of the people at the school. When we were done went on a complete tour of the campus. It is really big. When were done we ate lunch. It was a

Sports

Written by Louis

After the Superbowl, many wondered what the Cowboys would do. Well they got a new coach, and we hope they will do better. Mr. Moran is hoping his Giants will do better too!

The Spurs have not been doing that well. The best teams seem to be the Suns and the Mavericks.

Note From Mr. M

Our class had been doing great! The kids are working so hard and making great improvements. Each day brings more fun, and more excitement! Thanks to everyone's for your support for us!!!
